Description
The Prentice School District is looking for an outstanding 9-12 mathematics teacher. The candidate should have great mathematical skills and be able to teach those skills to their students. The Prentice School District is a high achieving school district with small class sizes for one on one student attention. The faculty of the school district are second to none and go the extra mile to provide our students with award winning academics. There are coaching and other co-curricular activities available with this position.

The Prentice School District is located in beautiful North Central Wisconsin. If you enjoy the outdoors there are many lakes, trails and beautiful land to enjoy.
